Michiganders reminded to change their smoke alarm batteries and practice their fire escape plan

March 5, 2020 – As daylight saving time goes into effect this weekend, LARA Director Orlene Hawks and State Fire Marshal Kevin Sehlmeyer remind Michiganders to adopt the life-saving habits of changing the batteries in their smoke alarms and practicing their home fire escape plan.

"Families need to develop a home fire escape plan and practice it often," said Hawks. "Make sure all family members – especially children – recognize the sound of the smoke alarm and respond to it by following the escape plan."

"In as little as three minutes, a home can be totally engulfed in flames," said Sehlmeyer. "Having working smoke alarms provide an early warning, giving the family a chance to escape the home."

According to the National Fire Protection Association (NFPA), approximately three of every five home fire deaths resulted from fires in homes with no smoke alarms (40%) or no smoke alarms that were working (17%). Never remove or disconnect batteries from detectors unless you are putting a new battery in the smoke alarm.

The state fire marshal recommends the following:

- Press to Test smoke alarms monthly using the test button.
- In 9-volt smoke alarms, replace batteries twice a year or when the smoke alarm begins to chirp, signaling that the battery is running low.
- Install a smoke alarm in every bedroom or sleeping area and have one smoke alarm on every level of the home, including the basement.
- For added protection, consider an interconnected smoke alarm system, so that when one smoke alarm sounds all the smoke alarms sound in the whole home.
- Hardwired smoke alarms are more reliable than those powered solely by batteries.
- Newer smoke alarms come with lithium batteries that can last up to 10 years.
- Every 10 years replace all your smoke alarms, or sooner if they do not respond properly when tested.
- Choose alarms that bear the label of a recognized testing laboratory.
- People who are deaf or hard of hearing should equip their homes with alert devices such as high intensity strobe lights, and pillow or bed shakers that are activated by the sound of a standard smoke alarm.

Sehlmeyer urges families to know two ways out in a home fire escape plan and practice it twice a year. Make sure all family members – especially children – know and follow the family's escape plan. Children are at an increased risk of dying in a home fire because they can become scared and confused when a fire starts.

Carbon monoxide alarms are also critically important safety equipment in the home. Carbon monoxide is called the invisible killer as carbon monoxide cannot be seen or smelled. This poisonous gas can come from a variety of sources and can quickly incapacitate and kill its victims.

Carbon monoxide alarms should be installed on every level of the home and outside sleeping areas. Carbon monoxide alarms need fresh batteries at least once every year, unless they are powered by sealed 10-year batteries. Carbon monoxide alarms should also be tested once a month to make sure they are working properly.

Annual Celtic Festival coming up in Concord

The Hubbard Memorial Museum Foundation will hold its 22nd Annual Celtic Festival on Sunday, March 15, at the First Universalist Church in Concord at 2 p.m. The church is located at 200 Hanover St.

The program, featuring Scottish and Irish songs, will be highlighted by the appearance of bagpiper, Terrance Carroll, who has played bagpipe at the festival since its inception.

Another group of regulars is Janice Boden's Homespun Strings. They will be performing a number of Celtic songs featuring the hammered dulcimer, the banjo, the pipe, the autoharp, the bass and the guitar. Other local talent performing will include Ken Bauman, The Brigham girls, Tom Firth, Dave Hopper and Carol Fransen. Emceeing the program this year, is the "sisters" Becky Ketchum and Caryn Brandonisio. Everyone will have the opportunity to sing some favorite Celtic Songs.

Following the program, the audience is invited up the street to the Paddock Hubbard House at 317 Hanover St. for refreshments, Celtic music and fellowship. Both the 1846 Greek Revival Paddock Hubbard House and the Riceville School behind it will be open for viewing. The open house will last until 5 p.m.

The Trustees of the Hubbard Memorial Museum Foundation are encouraging everyone to come and share in this wonderful tradition of music and good cheer. It has proven to be a wonderful way to celebrate Scottish and Irish heritages. The Universalist Church has made some beautiful changes, and you will be "enlightened" when you attend.

There is no charge for any of these activities.

Start your day strong with breakfast

(Family Features) Starting the morning on the right foot can help set a path toward a successful day, and for many, that strong start begins with breakfast. In fact, a lot of research supports the idea of having a balanced meal in the morning. When you turn to breakfast to fuel your morning, look for seasonal recipes that provide a delicious way to start your day.

For example, you can skip high-sugar grains with refined carbohydrates like doughnuts and pastries to instead opt for savory, protein-rich dishes like this Asparagus and Goat Cheese Frittata and Fluffy Scrambled Eggs. If you're an on-the-go eater, try easily transportable recipes like a Tropical Green Smoothie or Vanilla Almond Crunch Overnight Oats.

These breakfast recipes are bolstered by the rich, creamy texture and nutrition profile of fairlife ultra-filtered milk, a lactose-free option with 50% more protein, 50% less sugar and 30% more calcium than regular milk. The recipes also take advantage of fresh, seasonal ingredients.

Asparagus and Goat Cheese Frittata

Prep time: 21 minutes
Servings: 4

4 large eggs
1/4 cup fairlife 2% Ultra-Filtered Milk
1/4 teaspoon kosher or sea salt, plus additional, to taste, divided
freshly ground black pepper, to taste
1/3 cup thinly sliced basil leaves, plus additional for serving
2 teaspoons olive oil
10 medium asparagus spears, cut into 1 1/2-inch lengths
2 tablespoons finely chopped shallot or red onion
1 1/2 ounces soft goat cheese, crumbled (1/4 cup)

Heat oven to 400º with rack in middle.

In large bowl, beat eggs, milk, 1/4 teaspoon salt and pepper, to taste; beat in 1/3 cup basil until just combined.

In 8-10-inch ovenproof nonstick skillet, heat oil over medium-high heat until hot but not smoking. Add asparagus and salt and pepper, to taste. Reduce heat to medium and cook, stirring occasionally, 5 minutes. Add shallot and continue cooking until asparagus spears are lightly golden and just tender, 2-4 minutes. Pour in egg mixture. Cook 1 minute then scatter goat cheese on top.

Bake until frittata is set, 4-6 minutes. Using spatula, slide onto cutting board then sprinkle with salt, to taste, and additional basil. Cut into wedges. Serve warm.

Nutritional information per serving: 140 calories; 10 g total fat; 190 mg cholesterol; 200 mg sodium; 3 g total carbohydrates; 10 g protein.

Vanilla Almond Crunch Overnight Oats

Prep time: 10 minutes, plus at least 6 hours refrigeration
Servings: 2 1/2 (about 2 1/2 cups each)

1 carton (5-6 ounces) nonfat or low-fat vanilla Greek yogurt
2 teaspoons pure honey
2 teaspoons flax seeds
2 pinches cinnamon
2 pinches kosher salt
4 tablespoons blanched, slivered or sliced almonds
1 cup rolled oats
1 cup fairlife Fat-Free Ultra-Filtered Milk
Toppings (optional):
cut berries or citrus
additional yogurt
additional flax seeds or almonds

Divide yogurt, honey, flax seeds, cinnamon, kosher salt, almonds, oats and milk evenly between two 8-10-ounce glass jars or small glass bowls with tight-fitting lids.

Securely close or cover containers; refrigerate at least 6 hours, or up to 48 hours.

When ready to serve, remove lid, stir and top with berries or citrus, yogurt and flax seeds or almonds, if desired.

Nutritional information per serving: 380 calories; 9 g total fat; less than 5 mg cholesterol; 280 mg sodium; 53 g total carbohydrates; 22 g protein.

NATIONAL SPRING AND WIRE COMPANY

With the welcome news of the scheduled demolition this spring of the remaining portion of the old Union Steel Products complex, we note that these buildings were originally erected as the home of one of Albion's big industries during the first two decades of the 20th century: The National Spring and Wire Company. The firm manufactured automobile (and carriage) upholstering cushion springs for seats. It employed around 125 persons during its heyday.

The Company was organized in 1902, and in 1904 moved to 505 N. Berrien St. in the building formerly occupied by the Albion Buggy Company. In 1915 it built a large new manufacturing building on the other side of the block at 504 N. Monroe St. The date, "1915" can still be seen today in the center section of the building along N. Monroe St. The Company was serviced by the Lake Shore & Michigan Southern Railroad, whose spur along the southern part of the building was used to load railroad cars to ship parts to customers across the United States and Canada. The tracks still go past the building today to service the Knopf Insulation plant.

The 1917-18 Albion City Directory lists the following officers of the Company: Alfred J. Abbott, president; Solomon M. Raftery, vice-president; Otis A. Leonard, secretary; Elmer Jacobs, treasurer; Fred B. King, superintendent. The National Spring & Wire Company closed in 1922, and the building was subsequently purchased by Union Steel Products which used the building for its own manufacturing needs until its closure.

From our Historical Notebook this week we present just a portion of a 36-inch long panoramic photograph taken in 1916 showing all of the employees of the National Spring and Wire Company assembled outside the plant at 504 N. Monroe St., with the "1915" date on the building. How many of our readers

IF YOUR SUMMER FUN THING IS CRUISIN' IN YOUR OLD Classic car or hot rod to a favorite location somewhere in the Tri-State Area, you won't want to miss this article. Ask some of your old car friends "Where was the first car in America made?" Many will say Detroit. The first cars in America were designed, engineered and built in East Jackson, Michigan from the Winter of 1897-98 to 1924. East Jackson is in fact, the Original Car Capital of America. 27 cars and trucks were introduced in Jackson-East Jackson. They were the Ames, Argo, Brisco, Buick, Cartercar, Cleveland, Cutting, C.V.I., Duck, Earl, Fuller, Gem, Globe, Hackett, Hollier, Hupmobile, Imperial, Jaxon, Jackson, Jenney, Marion-Handley, National, Orio, Standard Electric, Star, Steel Swallow and Whiting. Vehicles were powered by steam, gasoline and electric means. The owners of the companies were Buick, Brisco, Burman, Butcher, Campbell, Carter, Clark, Chevrolet, Dean, Durant, Earl, Gage, Hatch, Hackett, Handley, Johnston, Lewis, Matthews, Reeves and Hupp. When Mr. Reeves came out with the first car it was 10 years before Mr. Henry Ford introduced his first model T in Dearborn. Robert Burman was born in 1884 in Flint. He came to Jackson when he was in his 20s and went to work for Clark Carter's Jackson Automobile Company. Billy Durant at Buick in Jackson brought together Burman, Arthur and Louis Chevrolet and formed a racing team. It is reported that they became the best in the country with winning hundreds of races until Bobby Burman died in 1916 in a road race at the age of 31. If you would like a copy of our booklet on *"The Cars Built in East Jackson 1828-1924,"* **please send your check for $10.00 to Mac Bater at 837 Woodbine Blvd., Jackson, MI 49201 and I will send you a copy. Thank you. No phone calls please. Mac Bater.**

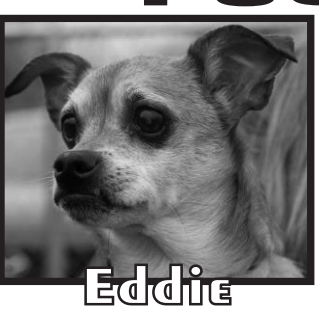
Pets of the Week

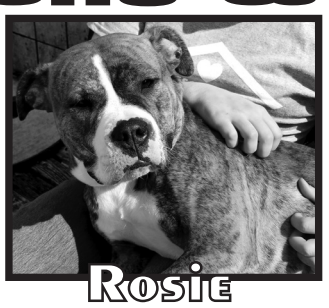


Eddie

What's cute and tiny and sweet all over? Why, Chihuahua mix Eddie, of course. This little, 10-year-old dog was found as a stray. He'd love to find the perfect lap to snuggle into. Eddie has been neutered, brought up-to-date on his shots and is microchipped. Since he was a stray we have no history for him. We do know, however, that he's a cutie pie!. His adoption fee is $100.

Big Boy

Big Boy, age 10, was transferred here from another shelter. He came in with two other cats. This sweet boy loves to be loved. He loves affection from people and he's good with other cats. He's been neutered and is now current on his vaccines and has tested negative for both FIV/FeLV. All Big Boy really wants is his very own loving home. if you think this beautiful cat might be a good fit for you please stop in during open hours to visit with him. We're open noon-to-6pm, Tuesday through Saturday. His adoption fee is $40.



Rosie

To meet Eddie or Big Boy drop in at the Cascades Humane Society anytime Tuesday through Saturday, noon to 6 p.m. CHS is located at 1515 Carmen Drive in Jackson. Their phone number is 517-787-7387

Rosie is a 3 year old, brindle American Staffordshire mix with white markings. She is 64 lbs and a bundle of affection. Rosie can be selective about her canine friends but she will jump into the lap of a human. Just looking for that person who likes to play outside and cuddle on the couch. Dog adoptions require an application. Availability date is when the dog becomes JCAS property; any necessary medical procedures may delay an adoption. A meet & greet with your dog is mandatory. A cat room walk-through is available to test reaction. Dogs will go to approved applicants; the adoption fee is $150, which includes vaccinations, microchip, and sterilization.

Roman

Roman is a majestic, mellow and very friendly guy. He is a long haired, brown tabby who came in as a stray. His big light green eyes and adorable pink nose will capture your heart. Won't you come meet Roman today at the Jackson County Animal Shelter, 3370 Spring Arbor Rd., Jackson, Michigan. Cat Adoption Fees are $60 for one cat, $80 for two, which will include applicable tests, vaccines and spay/neutering. Any necessary medical procedures may slightly postpone an adoption.

Visiting the shelter is always best, but other resources include: Online application: https://www.co.jackson.mi.us/DocumentCenter/View/803 Fax it to the number on the app, or email it to: AnimalShelter-Fax@co.jackson.mi.us

New Shelter Hours: Monday through Friday 10 a.m. to 4:30 p.m., Thursday from 10 a.m. to 7 p.m. and Saturday 10 a.m. to 4 p.m.

Expanded office hours for Veterans Affairs in Marshall and Albion

Calhoun County Veterans Affairs will begin holding office hours in Marshall and Albion to increase access to services for veterans and their family members.

Beginning Thursday, March 12, Calhoun County Veterans Affairs will have a veteran service officer at the Forks Senior Center on the second and fourth Thursday of each month, from 8 a.m.-4 p.m. The Forks Senior Center is located at 101 N. Albion St., in Albion.

A veteran service officer will also be available at the County Building in Marshall every Tuesday from 8:30 a.m. - 4:30 p.m., starting Tuesday, April 7. The County Building is located at 315 W. Green St., in Marshall.

To make an appointment or for more information, call 269-969-6735 or email va@calhouncountymi.gov.

Presentation on River Fork Solar Farms at Albion College

The 50th anniversary of Earth Day doesn't take place until April, but Albion College starts the celebration in March, thanks to a major gift from Bruce Harper, '67, and his wife Jane. The Harpers gave more than $100,000 to Albion College for climate change education and action, and to commemorate Earth Day.

On Tuesday, March 10 a presentation will be held on River Fork Solar Farms, a proposed project in Calhoun's County Sheridan Township. Presenting is Sean Harris, senior development manager for Ranger Power. The presentation will be held at 7 p.m., at Norris Science Center Towsley Hall

All events are free and open to the public. For more information, contact the Center for Sustainability and the Environment at 517/629-0361.
